Managers Notes

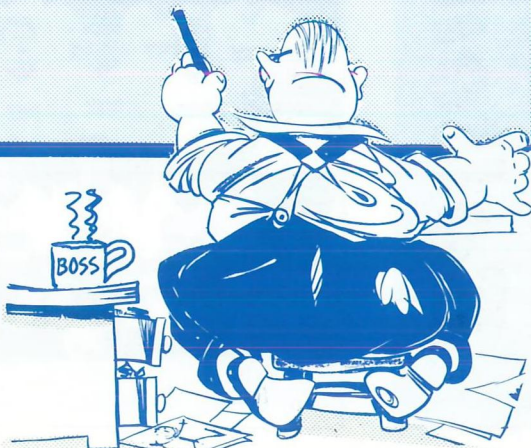

It's a while since Halifax Town had two all ticket matches within the space of a week and Bolton today and Forest next Saturday provide us with two important games for different reasons. We want to avenge our defeat at Burden Park earlier in the season and start the New Year in the right manner by winning. Next Saturday is a 'one off' and a situation where we can only benefit as all the pressure is on Forest to obtain the right result.

Bolton today will be a stern test though as Phil Neal has developed his side into one that's hard to beat and they impress me each time I see them. Having said that I still expect to win as we're proving a force to be reckoned with of late both at home and away, so it'll hopefully be a real cracker this afternoon.

I don't know how we went on at Rochdale yesterday as I write these notes so I just hope we've come through injury free and with a good win under our belts as I still remember the result at Spotland last season when they were fighting for their League lives and it still sticks in my throat!

Get behind the lads today as Bolton will bring plenty of support with them, and enjoy the game.

Bill

COMMERCIAL COMMENT

WITH TONY THWAITES

Good afternoon, and welcome to the Shay. I trust that fans **everywhere** will have had a most pleasant Christmas and that all can look forward to a happy and healthy New Year.

The F.A. Cup Game

The main talking point among Town fans at the moment is obviously the **Nottingham Forest F.A. Cup Tie** and, if you turn to the **Notice Board** page of this programme, you will see the details of ticket arrangements for this game.

The programme for the game incidentally, will (following a boardroom decision) be priced at 75 pence, and an extra four pages will be added to make this a souvenir edition.

RESULTS AVAILABLE

With these notes being written almost two weeks ago, we are unable to include a list of prize winning numbers for our **Shaymaker Christmas Draw**, despite the fact that this took place on Monday 21st December, but I can assure you that this will appear in our next matchday programme. Meanwhile, please watch **Friday Weekly** for the winning numbers throughout January. Despite a few problems along the way, the Christmas Draw proved most successful and I would like to thank **All who helped** by selling or buying tickets. I trust we can rely on your tremendous support again for our **Easter, Summer** and **September Break** Draws, which are already in the process of being formulated. All enquiries please to the new Promotions Office at 25 Bull Green, King Cross, Halifax.

IN THE NEW YEAR

Other fund raising activities being arranged for 1988 include regular Thursday evening concerts and football film shows at one of the areas biggest working mens clubs, a monthly Quiz Evening chaired by local personalities and a **Miss Halifax Town** competition for our ladies.

There is big news too from the offices of **Friday Weekly**, with a whole new series of football competitions which are to be launched and a special Sportsmans Evening which will be strictly limited to 450 persons.

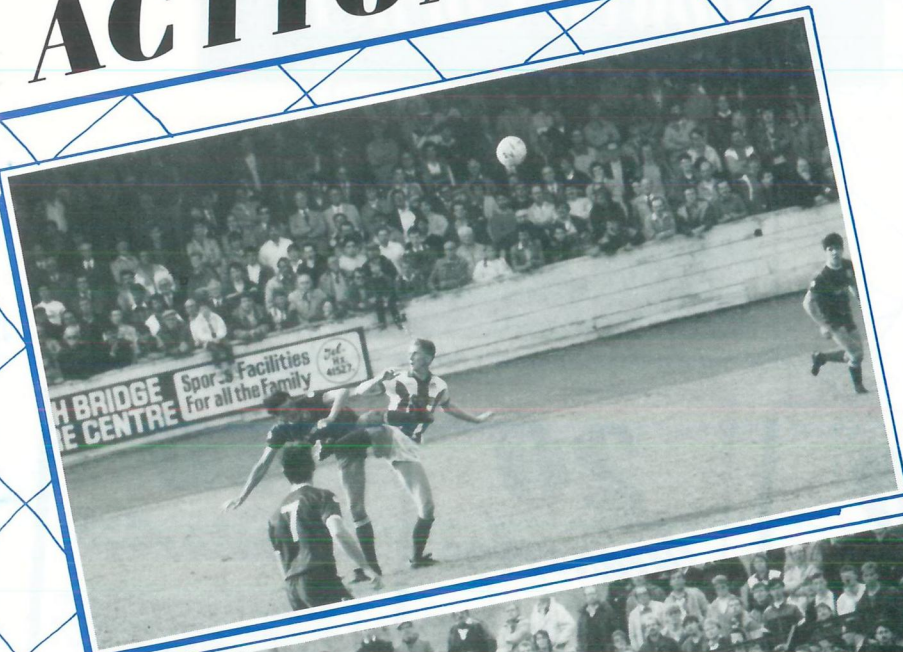

For exclusive details of these events, please call in at the Promotions office or better still, watch the columns of this programme and Friday Weekly.

NEW GROUND SHOP

Situated in the main car park adjacent to the secretaries office is our new Ground Shop, which will from the Nottingham Forest game onwards, be open for the sale of football souvenirs and programmes on match days. Also available here are teams in our new **Pontoon Sweep** which is based on 15 goals up – as always, details of this and all fund-raising functions can be had from the Promotions office.

Thank you to all helpers during 1987 – we look forward to your continued support in 1988.

30 Years Ago

In Division Three North at this time, the Shaymen travelled to Wrexham, where a crowd of 6195 were in attendance. The home side took an early lead when goalkeeper Johnson made an error which presented McNab with the easiest of choices but Town hit back to level when Lorensen put a pin-point pass through for Clive Baker to score. Minutes before the break however, the Welsh side went in front again when a speculative 20 yard shot struck the inside of the upright before going into the net. This proved to be the winner for though Town defended well in the second half, they proved almost non-existent in attack and were restricted to two long range efforts from Brian Atkinson and George Hutchinson. Today's visitors Bolton at this time, were involved in an all first division F.A. Cup tie at Preston and brought off a tremendous 3-0 victory in front of a crowd of 32,704.

20 Years Ago

Town lined up White, Hampton, Pickering, Holt, Sneddon, Shawcross, Flower, Massie, Ryden, Wallace and McCarthy for the visit of Port Vale and the Shaymen, along with the majority of the 3956 crowd were hoping for better fortunes as no victory had been recorded in the previous 12 home games. This was not to be however for, after having most of the play and, hitting the woodwork on no less than 3 occasions, the points were lost in the 53rd minute when the visitors leading scorer Chapman took advantage of an attempted 30 year back pass by Bobby Wallace to score.

This defeat dropped the Shaymen even further down the league and they were now in 18th position with a record which read P25 W6 L10 D9 For 27 Against 33 Points 21. Bolton at this time were in division two and travelled to Middlesborough where a 29,217 crowd saw a Horner own goal and a score by Rimmer gave them a fine away victory.

10 Years Ago

The Shaymen took their unbeaten run to eight games by defeating York City at the Shay in front of a 3,374 crowd. The game was not without incident, and would almost certainly have boiled over had it not been for some strong refereeing by George Courtney. The referee had little choice but to dismiss a visiting player following a bad foul on Jimmy Lawson in the 38th minute and this foul resulted in Town's player/Manager eventually having to leave the field just 20 mins later. City defended stubbornly and looked as though they may share the points but in the 77th minute Micky Bullock gave Town the lead when he struck home the rebound after Lee Bradley's shot had bounced off a defender. The results was put beyond doubt just 8 mins from time when Derek Bell netted following a fine bout of inter passing with Tommy Horsfall. The Shaymen had lined up as follows: Gennoe, Falvell, Loska, Smith, Dunleavy, Trainer Horsfall, Carroll, Bullock, Lawson and Bell. Bolton meanwhile, lost top spot in division two and their unbeaten home record when a crowd of 26,334 saw Burnleys Neil Whatmore give his side victory with the games only goal.

AMAZIN' FAX!

- 
- ▶ On March 8th 1924, during the game between **Crewe Alexandra** and **Bradford Park Avenue** four penalties were awarded in the space of five minutes! This event played in the Third Division North created a League record which still stands.
 - ▶ After a 2—1 win against **Scunthorpe United** on September 19th 1956, **Crewe Alexandra** playing in the Third Division North did not win another match for 30 games. They had to wait until the 13th of April 1957 before they could record a 1—0 victory over **Bradford City**, and lay to rest a terrible run of results.
 - ▶ On January 1st 1966, while they were beating Aldershot 3—2 in a Division Four game, **Chester** lost both their full-backs, Bryn Jones and Ray Jones, with broken legs.
 - ▶ When **Workington** increased their board of directors to 13 in October 1966 they remarkably found themselves with more directors than full-time players!
 - ▶ **Mansfield Town** did not score a goal in the League at home during the 1971—72 season until the 18th of December 1971. Playing in Division Three at the time, Mansfield actually managed two goals that day against **Plymouth Argyle** — but still lost the match 3—2!

Meet the Referee . . . John Ireland began refereeing 1966 in the local Warrington leagues and progressed through the Cheshire and North West Counties leagues to the Football Leagues linesmans list in 1975. Joined the full list of Football League referees in 1986.

A married man with two children, John is interested in all sports but devotes much of his spare time to being Chairman of the Warrington Referees Society and serving as a committee member on the Warrington and district football league committee — As a linesman he has officiated in the 1985 'friendly' international between Scotland and East Germany while in October 1986 he gained a similar position in a U.E.F.A. cup second round tie in Austria.

The holiday period has meant that today's programme has had to be printed as early as Monday 21st December. While this is understandable, it does mean that a number of our regular features are not included, and that league tables, statistics etc. are not as up to date as usual. We trust that programme buyers will appreciate these difficulties and assure you that normal service will be resumed in the New Year.
